Quick Answers

\n

Q: Which Sandals resort is best for honeymooners?

A: Sandals Royal Barbados is our top pick for most honeymooners in 2026 — it combines the brand's best beach, a modern room inventory, and butler suites with dedicated pool space. For couples who prioritise total seclusion, Sandals Regency La Toc in Saint Lucia is the alternative, with private infinity-edge plunge pools on a hillside above the water.

\n

Q: Is butler service worth it for a honeymoon at Sandals?

A: Yes, particularly for stays of five nights or more. The Butler Elite tier removes the logistics friction that quietly taxes a honeymoon — dining reservations, beach setup, and in-room check-in — so your first day starts as a holiday rather than a checklist. The price premium is typically 25-40% above club-level pricing, which many couples consider well spent on a once-in-a-lifetime trip.

\n

Q: How much does a Sandals honeymoon cost in 2026?

A: Budget roughly \$600-900 per couple per night for a club-level suite at a mid-tier property like Sandals Negril or Sandals Ochi. At Sandals Royal Barbados or Regency La Toc, Butler-tier suites typically run \$1,200-1,800 per couple per night in peak season. Sandals regularly runs 35-65% promotions on early bookings — locking in six months out typically saves more than any last-minute deal.
