Quick Answers

\n

Q: Is Sandals Royal Caribbean good for a honeymoon?

A: Sandals Royal Caribbean is a good honeymoon fit for couples who want a short Montego Bay transfer, a calmer Jamaica setting, and the novelty of Sandals Cay. It is less ideal if you want the newest room product or the most ambitious food program in the Sandals portfolio.

\n

Q: How far is Sandals Royal Caribbean from the airport?

A: Sandals Royal Caribbean is about a fifteen-minute drive east of Sangster International Airport in Montego Bay. The short included transfer is one of its biggest advantages, especially for five-night trips or late arrivals.

\n

Q: What makes Sandals Royal Caribbean different?

A: The private offshore island, Sandals Cay, is the property's signature feature. Guests take a short shuttle boat to the island for beach time, dining, weddings, and the over-water bungalow area, which gives the resort a second-resort feel.
